## Grand Blanc Community Fund

### Who We Are

In 1989, the Grand Blanc Community Fund was established to serve residents of the Grand Blanc School District, with assets from the Grand Blanc Community Foundation. The original foundation was established in 1968 under the guidance of Ezra W. Perry "to enhance the well-being and well doing of the residents of Grand Blanc." Since that time, the Fund has grown to provide \$45,000 in annual funding to support the community. In total, the Grand Blanc Community Fund has provided \$905,804 in grants to support local charitable projects. We recognize the many donors who have contributed to the endowment that benefits the Grand Blanc area, and the volunteers who have stewarded those resources through their committee work.
