

## Flint Child Health and Development Fund Grants Awarded by Strategy 2022

Grantee	Grant Purpose	Amount
<b>Education &amp; Literacy</b>		
Charles Stewart Mott Community College	The Dolly Parton Imagination Library will address inequitable book access by supporting Flint kids (aged 0-5) literacy, two-generational literacy, and kindergarten readiness by mailing free books from DPIL to their homes.	\$100,000
Child Care Network	The Early Childhood Talent Pipeline project seeks to address the need for a knowledgeable and credentialed early childhood workforce in Flint and Genesee County to ensure that staff caring for young children have up to date and accurate information about child development, social and emotional health, health and safety and other core knowledge and competencies regarding early childhood.	\$100,000
El Ballet Folklórico Estudiantil	Develop a quality reading program for Spanish heritage learners, implemented by certified instructors, complemented by cultural arts activities to promote literacy and communication among generations.	\$50,000
Michigan Conference of the United Methodist Church	The Flint Freedom Schools Collaborative project encourages positive development of youth, professionals, and community through culturally relevant programming, partnership, and paid opportunities.	\$55,000
STEMnetics	Innovative program to expose Genesee County students to concepts in science, technology, engineering and math (STEM) and connect their learning to the real world.	\$34,500
Sylvester Broome Empowerment Village	An evidence-based proactive response to the inevitable social, emotional, physical, and cognitive health effects of lead exposure in Flint youth.	\$100,000
Young Mens Christian Association of Flint	The YMCA Power Scholars closes the achievement gap between underperforming kids and their peers by giving them new tools to become confident students and opportunities to explore new places and possibilities.	\$28,000
<b>Education &amp; Literacy Subtotal</b>		<b>\$467,500</b>
<b>Healthy Food and Nutrition</b>		

Fair Food Network	We will broaden and deepen the impact of the Double Up Food Bucks healthy food incentive program in Flint and Genesee County to increase healthy food access and improve nutrition and health for low-income families and children, while increasing financial well-being for local retailers and farmers.	\$100,000
Genesee Area Focus Fund, Inc.	Nutrition Program will partner to ensure Flint kids receive fresh food and regionally-grown produce each week via Recipe Boxes connected with garden-based lesson plans, expert instruction, and engaging learning sessions, in which children and youth make recipes using food products that are carefully chosen to balance and mitigate the effects of toxic lead absorption on growing bodies.	\$75,000
Michigan State University	With increasing evidence to support both the perceived and measured benefits of the pediatric FVPP on child dietary patterns, food security, and shopping behaviors, the current proposal is a request for funding to sustain this program at three of the largest pediatric clinics in Flint.	\$100,000
